PROFILE

I have recently moved to Quebec after previously living in Australia for 2 years and Ontario before that. I am looking for a job that is able to communicate in English, as I am newly learning French.

SKILLS

- Great at manual labour
- Reliable
- Great with group work
- Adaptive
- Worked with teams and coaches for previous work.

EXPERIENCE

LAB TECHNICIAN

In Australia I worked as a lab technician for Coffey Testing for about 8 months before I recently moved back to Canada (<https://coffeytesting.com.au>). This gave me the opportunity to gain experience in a construction job while expanding my skill set.

COLES GROCERY DEPARTMENT

Also in Australia I worked at a grocery store for a little more than a year before switching over to my technician opportunity. This job gave me the experience to work with a team and prove that I can hold a job for an extended period of time. (Coles Australia)

SOCCER REFEREE

I refereed soccer for 2 years in the Petawawa Minor soccer association. This allowed me to work with a team to achieve goals and get work done.

HOCKEY REFEREE/COACH

For 3 years I refereed ice hockey in Petawawa Ontario for the Petawawa minor hockey association. I gained a lot of communication skills to complete this job. I also volunteered as an assistant coach for my brother's u10 minor hockey team.

EDUCATION

HIGH SCHOOL GRADUATE

High school: Saint Phillips Christian college Cessnock

In 2023 I graduated year 12 of high school in Australia.
